Cocoa, Florida 32922

To Whom it May Concern:

RE: C&D Construction, Inc.

C&D Construction, Inc. has completed numerous jobs for the City of Cocoa since they began their business in 1992. Most recently they finished three significant upgrades to the city's waterfront including two sets of concrete floating dock structures, the removal and replacement of the boat ramps, and the dredging of the waterfront basin.

C&D was very fair with regards to extra costs and completed their work in a timely fashion. We found that the Project Manager, Gregg Galzerano, was continuously involved in the project from groundbreaking to completion.

Sincerely,

*Frank Mirabito*
